Dated the 10th August, 2022

OFFICE MEMORANDUM

Subject: Guidelines for Capacity Building and Public Outreach under National Clean Air Programme (NCAP) – reg.

The undersigned is directed to enclose herewith a copy of Guidelines for Capacity Building and Public Outreach under National Clean Air Programme (NCAP) for your kind reference and necessary action.

This issues with the approval of the Competent Authority.

Yours sincerely,

((Dr. Satyendra Kumar)
Director
Phone No. 20819291
Email: satyendra.kumar07@nic.in

Encl: As above

To,

1. Addl. Chief Secretary/Pr. Secretary/ Secretary (Environment), State/UT Governments (Maharashtra, Chhattisgarh, Gujarat, Telangana, Chandigarh, Madhya Pradesh, Uttar Pradesh, West Bengal, Rajasthan, Tamil Nadu, Bihar, Punjab, Jharkhand, Delhi, Andhra Pradesh, Assam, Himachal Pradesh, Jammu & Kashmir, Karnataka, Meghalaya, Nagaland, Odisha, Uttarakhand, Haryana)
2. Addl. Chief Secretary /Pr. Secretary / Secretary (Urban Department/Local Self Government), State /UT Governments (Maharashtra, Chhattisgarh, Gujarat, Telangana, Chandigarh, Madhya Pradesh, Uttar Pradesh, West Bengal, Rajasthan, Tamil Nadu, Bihar, Punjab, Jharkhand, Delhi, Andhra Pradesh,

Assam, Himachal Pradesh, Jammu & Kashmir, Karnataka, Meghalaya, Nagaland, Odisha, Uttarakhand, Haryana)

3. Chairman, Central Pollution Control Board
4. All ULBs (131 cities)

Copy to:-

1. Chief Secretaries State/ UT Governments (Maharashtra, Chhattisgarh, Gujarat, Telangana, Chandigarh, Madhya Pradesh, Uttar Pradesh, West Bengal, Rajasthan, Tamil Nadu, Bihar, Punjab, Jharkhand, Delhi, Andhra Pradesh, Assam, Himachal Pradesh, Jammu & Kashmir, Karnataka, Meghalaya, Nagaland, Odisha, Uttarakhand, Haryana)
2. Chairman, SPCBs/PCCs (Maharashtra, Chhattisgarh, Gujarat, Telangana, Chandigarh, Madhya Pradesh, Uttar Pradesh, west Bengal, Rajasthan, Tamil Nadu, Bihar, Punjab, Jharkhand, Delhi, Andhra Pradesh, Assam, Himachal Pradesh, Jammu & Kashmir, Karnataka, Meghalaya, Nagaland, Odisha, Uttarakhand, Haryana.)
3. PPS to Secretary.
4. PPS to AS (NPG).

Guidelines for

Capacity Building and Public Outreach

1. Background of National Clean Air Programme

1.1. Considering air pollution as an important matter not only from an environmental point of view but for health safety, the Hon'ble Prime Minister in his address during 15th August, 2020 had announced to improve air quality in more than 100 cities of the country.

1.2. The **National Clean Air Programme (NCAP)** is a comprehensive time bound action programme launched by Ministry of Environment, Forest and Climate Change (MoEF&CC) in January 2019 with an objective to improve air quality in the 102 non-attainment cities (NACs). The cities which are exceeding the National Ambient Air Quality Standards (NAAQS) for five consecutive years (2011-15) are identified as NACs by Central Pollution Control Board (CPCB). Non-attainment cities reached 122 by inclusion of 20 additional cities in 2020 on the basis of air quality data for 2014-18 that was approved by the Steering Committee during its 2nd meeting.

1.3. In 2020, the Finance Commission in its 15th recommendation (XV-FC) final report identified 42 million plus cities (MPC)/urban agglomerations (UA) for receiving Million Plus Challenge funds for improvement of air quality for the period FY 2020-21 to 2025-26. Out of these 42 MPCs/UAs, 34 cities were included in the list of 122 NACs being targeted in NCAP. In 2021, 8 more MPC/UA and the 2 new cities {Gorakhpur (UP) and Madurai (TN)} were included by the Steering Committee during its 3rd meeting based on air quality data from 2015-2019. Two cities of West Bengal (Asansol and Raniganj) were merged by the Municipal Corporation in 2021. Therefore, 131 cities (NACs and MPCs/UAs) are being targeted for improving air quality from NCAP and XV-FC funding (**Annexure I**).

1.4. The Ministry has released the "Guidelines for fund utilisation under National Clean Air Program" for the cities covered under NCAP, wherein city specific targets have been provided for air quality improvement.

1.5. The Operational Guidelines for performance evaluation and release of funds up to FY 2025-26 has been framed by Department of Expenditure (DoE), Ministry of Finance (MoF) based on XV-FC recommendations.

1.6. The NCAP focuses on preparation and implementation of national level action plan, state level action plans & city level action plans of the targeted 131 cites. The coordinated implementation of these plans would help to achieve improvement in air quality in targeted 131 cities as well as in the entire country. The national level plan includes the action plans of different Ministries/

Departments of Government of India through convergence of their schemes/ programmes for improving the air quality.

1.7. Central and State Level Steering, Monitoring and Implementation Committees have been constituted and periodic review of the implementation progress of activities under NCAP is conducted.

1.8. The Ministry has launched a Portal for Regulation of Air pollution in Non-Attainment cities 'PRANA' with the aim to: monitor the implementation of NCAP; track the physical as well as financial status of city air action plan implementation; and disseminate information on air quality management efforts under NCAP to public.

1.9. The PRANA portal comprises two modules – Internet and Intranet. The Internet module is in public domain and its features include national & city dashboards, air quality data of cities, information about events, activities of international organizations and national knowledge network (NKN), action plans of Central Line Ministries/ Departments, and other resources like minutes of committee meetings, guidelines for technical studies. The Intranet module of PRANA portal is only for concerned city, state and central government agencies. It includes information about action plans, progress reporting, committee meetings, Memorandums of Understanding (MoUs), funds transfer, hotspot identification, performance assessment of cities.

1.10. Capacity building, awareness generation and public outreach for prevention, control and mitigation of air pollution is vital to support successful implementation of NCAP. For this, comprehensive Guidelines for Capacity Building and Public Outreach under NCAP is required for concerned city, state and central government agencies.

2. Objectives of Guidelines

The objective of these guidelines is to prescribe the strategy for carrying out capacity building and public outreach at city, state and national level under NCAP for year 2022-23 onwards for improving air quality.

3. Applicability

These guidelines will be applicable on all stakeholders viz. MoEF&CC, CPCB, Environment Department, states/union territories (UTs), State Pollution Control Boards (SPCBs)/Pollution Control Committee (PCCs), urban local bodies (ULBs)/ local authorities/ agencies of NACs, etc. identified under NCAP.

4. Tenure

These guidelines under NCAP will be applicable for the period of five years from FY 2021-22 to FY 2025-26.

5. Financial Allocation

5.1. Activity-wise Financial Allocation and Funding Source

S. No.	Organising Stakeholder	Activity/Engagement as per these guidelines	Financial allocation	Funding source
1	ULBs	All capacity building & public outreach activities/engagements	Part of city action plan funding under NCAP	
2	Environment Department, states/UTs	Workshop/seminar for Capacity building for implementation of NCAP & XV-FC	Rs. 76 lakh*[1] (Rs. 34 lakhs for 17 states/UTs with <7 cities + Rs. 42 lakhs for 7 states/UTs with ≥7 cities @ Rs. 1 lakh per workshop/seminar per state/UT. Workshop/seminar to be held (a) twice a year for states/UTs with <7 cities and (b) three regional groups may be formed in the State and each group may have two workshops/seminars for states with ≥7 cities)	MoEF&CC
		Workshop/seminar on occasion of International Clean Air Day for a Blue Sky & World Environment Day	Rs. 48 lakh (@ Rs. 1 lakh per workshop/seminar per State/UT. Workshop/seminar to be held twice a year for 24 states/UTs) (24 States/UTs × 2 workshop per year × Rs. 1 lakh = Rs. 48 lakhs)	
		All other public outreach activities	From own funds of Environment Department, states/UTs	
3	MoEF&CC	All capacity building & public outreach activities/engagements	Under NCAP / XV - FC MPCCF	

*[1] (1) Funding for workshops for capacity building are bifurcated in two parts (A) funding to States/UTs having less than 7 non-attainment cities, and (B) funding to States/UTs having equal to or more than 7 non-attainment cities. Rs. 1 lakh has been assigned for each workshop/seminar.

(2) Two numbers of Workshops/Seminars may be held by each State/UT which falls under part (A) above. Funding to those States/UTs shall be as under:
17 States/UTs × 2 workshops/seminars × Rs. 1 lakh each workshop = Rs.34 lakh.

(3) Three regional groups / clusters of NACs may be formed by the States/UTs having equal to or more than 7 non-attainment cities (NACs). Each group may have two numbers of workshops/seminars in a financial year. Funding to those States/UTs shall be as under:

7 States/UTs × 3 clusters × 2 workshops/seminars × Rs. 1 lakh each workshop = Rs.42 lakh

5.2. Year-wise and Total Financial Outlay

S. No.	**Organising Stakeholder**	**Activity/Engagement as per these guidelines**	**Year-wise Financial outlay**					**Total Financial outlay for 5 years**
			FY 2021-22	**FY 2022-23**	**FY 2023-24**	**FY 2024-25**	**FY 2025-26**	
2	Environment Department, states/UTs	Workshop/seminar for capacity building for implementation of NCAP & XV-FC	-	Rs. 76 lakh	Rs. 76 lakh	Rs. 76 lakh	Rs. 76 lakh	Rs. 3.04 Crore
		Workshop/seminar on occasion of International Clean Air Day for a Blue Sky & World Environment Day	-	Rs. 48 lakh	Rs. 48 lakh	Rs. 48 lakh	Rs. 48 lakh	Rs. 1.92 Crore
			-	**Rs. 1.24 crore**	**Rs. 1.24 crore**	**Rs. 1.24 crore**	**Rs. 1.24 crore**	**Rs. 4.96 crore**

6. Fund Flow

The channel of fund flow for disbursing the funds shall be the same as ongoing disbursement of funds to non-attainment cities for implementation of city action plans through CPCB. In this regard, CPCB has been notified as Central Nodal

Agency (CNA) and dedicated CNA account has been opened with Union Bank of India (UBI).

7. Budget Provision

An amount of Rs. 4.96 crore has been allocated for Capacity Building and Public Outreach for the period of five years from FY 2021-22 to FY 2025-26 (funding for FY 2021-22 is not included in Rs. 4.96 crores as the financial year is already over).

Capacity Building and Public Outreach is covered under the sub-component-3 “National and State level interventions and public outreach activities” of the component "National Mission for Clean Air" (NMCA) of central sector scheme "Control of Pollution".

Total financial outlay for NMCA is Rs. 2700 crore for the period of five years and the year-wise budget provision under component 3 of NMCA given in **Annexure –II.**

8. Guiding Principles

The guidelines shall be governed by the following principles:

i. MoEF&CC to ensure coordinated action by all stakeholders at central level for capacity building and public outreach under NCAP.
ii. MoEF&CC to prepare annual capacity building and public outreach strategy, based on these guidelines.
iii. Environment Department, states/UTs will ensure coordinated action by all stakeholders at state level for capacity building and public outreach under NCAP.
iv. Environment Department, states/UTs will submit to MoEF&CC annual capacity building and public outreach strategy, based on these guidelines.
v. District Magistrates (DMs)/Municipal Commissioners, ULBs will ensure coordinated actions by all stakeholders at city level for capacity building and public outreach under NCAP.
vi. DMs/Municipal Commissioners, ULBs will submit to MoEF&CC annual capacity building and public outreach strategy, based on these guidelines.
vii. All capacity building and public outreach under NCAP will be done as per the roles and responsibilities of stakeholders outlined in **Annexure III**.

9. Monitoring and Reporting Mechanism

Environment Department, MoEF&CC, States/UTs and DMs / Municipal Commissioners of ULBs will submit to Central Government (MoEF&CC) quarterly progress reports of capacity building and public outreach under NCAP done at national, state and city level, respectively. It will be uploaded on PRANA portal.

As output/outcome framework and measurable indicators, the above mentioned stakeholders are required to submit the no. of workshops/ seminars/ awareness programmes held and no. of targeted audience attended the said events etc. in their quarterly progress report.

10. Right to Amend the Guidelines

MoEF&CC reserves the rights to change, modify or amend the Guidelines for capacity building and public outreach under NCAP.
